

Bingen Point Access Improvements

Project update

We are planning to present a preferred design concept by this fall for the project that will provide reliable and uninterrupted access between W. Steuben Street (SR 14) and the Port of Klickitat/Bingen Point.

During our open house in April, we heard from members of the community that the top priorities for this project are:

- Improve safety
- Limit impacts to property owners
- Provide reliable access between the highway and the port during and after construction
- Promote economic development

Do you have any other thoughts we should consider? Let us know!

- Take a brief survey:
www.surveymonkey.com/r/SR14Bingen
- Call us: 1-866-279-0730
- Send us an email: SwGorge@wsdot.wa.gov

Project timeline

Design work will continue into the fall months.

When we have a preferred alternative, we will host an open house in the community.
